24.	Reduce the width of the breadcrumb section that has a black background by at least half to save on space.	Concepts Hub	In Progress
25.	Reduce the space that is at the bottom of the "Board of Directors" page.	Concepts Hub	In Progress
26.	Implement a way of getting statistics on the number of time a document has been downloaded.	Concepts Hub	In Progress

	Project	Owner	Status
27.	Most customers come to ask how long it takes to get their accreditation certificate. Can we have this included in the FAQ section of the website.	Concepts Hub	In Progress
28.	We should be able to get statistics on which pages are most visited and from where to enable us to make better decisions on what menus to make more prominent.	Concepts Hub	In Progress
29.	On the feedback form, instead of saying "Choose Sector", let us have it read as "What best describes you."	Concepts Hub	In Progress
30.	Remove the double spacing on the content.	Concepts Hub	In Progress
31.	The page is too long in terms of scrolling downwards. Please shorten the page and make it precise.	Concepts Hub	In Progress
32.	Remove the characters appearing on several places on the website that look like the letter "A".	Concepts Hub	In Progress
33.	Get short content that can be put under the "About ICT Authority" section and share with the Concepts Hub consultants.	Chris	In Progress
34.	Change the heading that reads "What people are saying about us" to read "Testimonials"	Concepts Hub	Closed
35.	Change the heading that reads "Judge us by the company we keep" to read "Our Partners"	Concepts Hub	Closed
36.	Remove the logos that are appearing on the site since government websites are not supposed to advertise/promote private sector brands.	Concepts Hub	Closed
37.	In the "Our Partners" section, just have the name of the companies that we have partnered with instead of their logos.	Concepts Hub	In Progress
38.	Create a workflow between the content author, the reviewer and the publisher to ensure integrity and accuracy of the content being published on the website	ICTA	In Progress

	Project	Owner	Status
39.	Make the top banner section to be in compliance with the KEPROBA branding guidelines.	Concepts Hub	In Progress
40.	The banner at the top hero-slider section needs to have pictures that depict our mandate and the projects that we are conducting instead of the looping video. - Video to be retained as pictures are sourced and availed for replacement.	ICTA	Awaiting Pictures
41.	Profiles of board members to be shared with Madam Lilian for onward transmission to the Concepts Hub consultants.	Madam Pauline	In Progress
42.	Profiles of deputy directors to be shared with Madam Lilian for onward transmission to the Concepts Hub consultants.	Deputy Directors	In Progress
43.	Madam Lilian to keep forwarding the profiles that she receives to the Concepts Hub consultants for implementation.	Madam Lilian	On Going Activity
44.	Train the ICTA staff to utilize the different banner sections that are on the homepage to enable them publish current events and featured services in those areas.	Concepts Hub	Training Required
45.	Train the ICTA staff on how to implement custom CSS on the website.	Concepts Hub	Training Required
46.	When using a mobile, the ICT Standards link is not available in the hamburger menu that appears.	Concepts Hub	In Progress
